Permaculture: A Designers' Manual: Bill Mollison ... Permaculture (permanent agriculture) is the conscious design and maintenance of agriculturally productive ecosystems which have the diversity, stability, and resilience of natural ecosystems. It is the harmonious integration of landscape and people providing their food, energy, shelter, and other material and non-material needs in a sustainable way. Permaculture: A Designers' Manual by Bill Mollison Permaculture (permanent agriculture) is the conscious design and maintenance of agriculturally productive ecosystems which have the diversity, stability, and resilience of natural ecosystems. It is the harmonious integration of landscape and people providing their food, energy, shelter, and other material and non-material needs in a sustainable way. Permaculture Design Principles The foundations of permaculture are the ethics (centre) which guide the use of the 12 design principles, ensuring that they are used in appropriate ways. These principles are seen as universal, although the methods used to express them will vary greatly according to the place and situation.

Permaculture Design in 5 Steps Mainframe design is often our starting point when it comes to Permaculture design as it looks at the big picture. The mainframe consists of identifying and designing for the major features of what will be a human landscape. Permaculture Design Services - Midwest Permaculture Permaculture Designs Following a site visit and/or our research, we can create a permaculture design including a written assessment, a basemap of the property with the design sketched upon it, and a written summary of recommendations. How To Design Your Property - Permaculture Apprentice You want to use a permaculture design but there is a problem, no one has explained to you how the design process actually works and maybe you just don't have the \$1000 to afford a Permaculture Design Certificate. Permaculture design is a mysterious concept that everyone's talking about but it's hard to convey the underlying process without taking a PDC.
